I request permission to increase my course load by _____ hours for the _____ Semester, 20_____.

If this request is granted, my total course load for the semester will be _____ hours.

CHECK ALL THAT APPLY

A student who wishes to carry an academic load in excess of 18 semester hours must obtain approval prior to registration from an academic advisor.

- checkbox The student achieved a 3.67 or higher GPA during the most recent semester of attendance at Georgia State University.
checkbox The re-entering student achieved a 3.67 or higher GPA during the most recent semester of attendance and had an average of "A" on transfer work during the interim period.
checkbox The first semester transfer student received an average of "A" on the last 30 hours of transfer work.
checkbox The student has 60 academic credit hours with no grade lower than "C" for the preceding semester and no "F", "WF", or unremoved "I" grades for the preceding three semesters.
checkbox An increase of 6 academic hours (to be distributed over the last two semesters) is permitted for any senior who, because of this increased load, can graduate in two semesters.
checkbox The student has earned 60 semester hours credit with a cumulative grade point average of at least a "B" for the preceding two semesters of residence.
